

15 February 1954

MEMORANDUM FOR: Director of Central Intelligence

THRU : Deputy Director/Intelligence

THRU : Assistant Director for Research and Reports

SUBJECT : Report of Trip to Attend the Annual Meeting
of the Canadian Institute of Surveying and
Photogrammetry

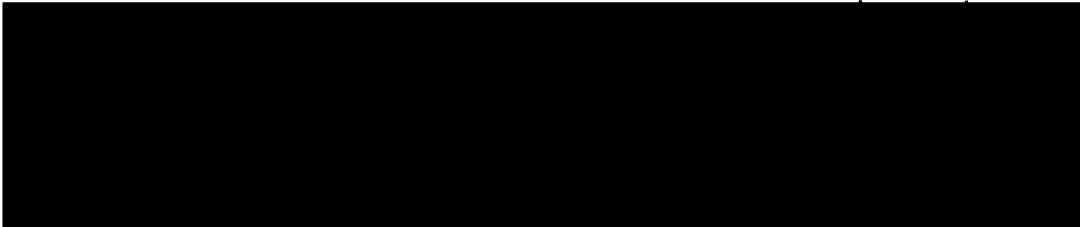

Reference : CIA Notes 117-504 ORR Regulations R 50-12

1. As President of the American Society of Photogrammetry the undersigned attended the subject meeting at Ottawa, Ontario on February 2, 3, 4, and 5, 1954.

2. In attendance at the meeting were approximately 250 Canadian and foreign mapping specialists including representatives from the United States, France and Pakistan. All technical sessions were conducted at the Chateau Laurier. Titles and authors of the papers presented are indicated in the attached copy of the official program.

3. Technical tours of the National Topographic Survey and National Photo Library were included in the program and provided a valuable supplement to the technical papers.

5. The meetings, tours and discussions were profitable and stimulating to the undersigned in the opportunities they provided for reviewing Canadian developments in photo interpretation and photogrammetry, fields of significant importance to this Division in effectively carrying out its mission and functions within the Geographic Area of the Office of Research and Reports.
